### Business Description

This is a GREAT turn key PROFITABLE used car lot. Used car dealership with over 60 mostly trucks that average over 20 vehicle sales every month. These used auto investments provide a high rate of return for dollars spent. With the extremely high prices of new cars, used cars are in high demand. This is a very good location and owner is willing to train. Approximately an acre of property giving an opportunity to add additional vehicles. This is an unique opportunity to get into a great new livelihood. Only open 6 days per week. Vehicle inventory is NOT included in price but is available at owners cost. These vehicles were purchased right so new owner would want to take advantage of inventory already available and in place. CONTACT: Rob Sproles 850 341 3863 email: robsproles@msn.com
