Description:

This independent non franchise business comes with five great locations with total sales at \$2,800,000.00 and a cash flow over \$700,000.00. During these Pandemic times, sales for this business have risen to higher levels than in previous years. When you go into this great business, you will be getting more than quality products and supplements. You will be getting expert knowledge and guidance tailored specifically to your goals, wants, and needs. Each location has knowledgeable and courteous staff to help guide your customers to their goals, not just sell your products. There is even a regional manager that is capable of running all 5 locations. There are thousands of products in the marketplace to choose from, and this business only carries reputable brands that use best in class ingredients. They offer a diverse mix of products to help you achieve your specific goals, whether it is weight loss & management, sports nutrition & workout support, protein powder shakes & snacks, or vitamin herbs & health essentials. They have the perfect product for each customer. Industry: The global sports nutrition market size is valued at USD 11.64 billion in 2022. It is expected to register a 9.7% CAGR during the forecast period. Buy all 5 of these locations with \$30,000.00 in inventory in each store, \$80,000.00 in total FF&E. A **\$2,600,000.00** purchase price plus inventory. Owner to consider financing for qualified buyer. Locations in Alabama and Georgia.
