Description:

This business operates a taxi/shuttle service 24/7/365. This business believes service should be dependable, consistent, and responsive. This service is provided to meet the needs of residents in Baldwin County and the surrounding area (Fairhope, Daphne, Spanish Fort, Orange Beach, Gulf Shores, Foley, Loxley, Robertsedale, Summerdale, Silverhill.) Since 2005, this company has been committed to being the best at what they do. This business provides taxi/shuttle service and airport shuttles. This sale includes 6 taxis with meters. The business uses drivers that are leased or contract drivers on a commission basis. Most vehicles are 5 6 years old, meticulously maintained and cleaned. Despite the emergence of ride sharing services like Uber and Lyft, this company continues to thrive. Due to its excellent location in the fastest growing county in Alabama, the area continues to grow in popularity with an increasing demand for driver services. There is ample opportunity for a new owner to exploit this growth by adding new services and expanding into outlying regions. In this community there continues to be strong demand for reliable ground transportation for individuals and groups.
