Description:

Located in the heart of this historic Eastern Shore shopping district with an excellent reputation. Great interior and display. This lady's lifestyle store carries a variety of seasonal clothing, hats, jewelry, and accessories. The apparel lines are known for their outstanding quality. Many exclusive brand names are a staple for this business. Guests will appreciate the combination of comfort and style of the selections available. Cozy t shirts, everyday tanks, button up blouses, and soft sweaters are available in a variety of colors, both bright and muted. Pair these with comfy leggings, fashionable pants, or perfect fitting jeans. Finish the outfit with a lovely purse or handbag, long beaded necklace, and matching earrings. The business also carries dresses and skirts, both for everyday wear and a fun evening out.

The business suffered during covid and is now climbing back to pre covid sales. They do not have a web page, and this would help increase customer recognition. Seller very motivated.
