Description:

This well established Marine Electronics business presents an outstanding opportunity for a buyer to acquire a highly reputable, full service operation in the thriving recreational and commercial boating market. Serving the region for over [X] years, the business specializes in the **sales, installation, maintenance, and repair** of cutting edge marine electronics, including GPS/chart plotters, radar systems, sonar/fish finders, VHF radios, AIS systems, autopilots, and more.

Located in a high traffic marine hub near Gulf Coast, the business benefits from a loyal customer base, including recreational boaters, yacht owners, commercial fishing vessels, and marine fleets. The company is an authorized dealer for many of the top brands in the industry such as Garmin, Power Pole, Minn Kota, Simrad, Rhodan and others. The business operates out of a strategically positioned facility with a storefront, inventory space, and a workshop—allowing for efficient in house service and installations.

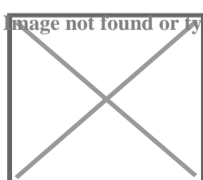

Highlights:

- **Established reputation** with strong brand recognition in the regional marine community
- **Turnkey operation** with skilled technicians and support staff in place
- **Strong relationships** with manufacturers and marine service providers
- **Recurring revenue** from ongoing service, installations, and upgrades
- **Growth potential** via expansion into e commerce, mobile service units, or new geographic markets

The current owner is willing to provide transitional support to ensure a smooth handover and continued success. This is an ideal opportunity for a marine enthusiast, industry professional, or strategic buyer seeking entry into the lucrative marine technology sector.
