Description:
Business Description

Established Multi Location Equipment Dealership Gulf Coast Region

This premier recreational and utility vehicle dealership represents a dominant market position along the Gulf Coast, operating full service locations with comprehensive sales, service, and parts capabilities. With 25 years of continuous operations, the business has established itself as a leading regional dealership in the Southeastern United States equipment rental and sales sector.

Financial Performance:
Annual sales revenue: \$10.12 million
Discretionary cash flow: \$1.3 million
Diversified customer base including retail, commercial, and fleet segments

Operational Infrastructure:
The dealership network spans across the Mississippi coast excellent opportunity to expand down the coast of Alabama, and Florida. Providing complete customer lifecycle management through integrated sales, service, and parts operations. The business serves a broad market including individual consumers, resorts, municipalities, and property developers with both standard and customized vehicle solutions.

Market Position:
The company operates within the expanding low speed vehicle (LSV) and recreational vehicle market, benefiting from increasing municipal adoption of street legal LSVs and growing demand for eco friendly transportation solutions in residential and commercial applications.

Growth Opportunities:
Geographic market expansion potential throughout Gulf Coast and inland territories
Enhanced e-commerce platform development for direct sales and customization services
Commercial fleet contract expansion with hospitality, municipal, and residential development sectors
Service subscription and maintenance program enhancement for recurring revenue optimization

The dealership maintains established manufacturer relationships and operates with experienced management infrastructure, positioning it for continued market expansion within the growing recreational and utility vehicle industry.
