Description:

You can now be part of a 40 year old success story in Lower Alabama. This roofing company has repaired and built roofs for clients for over four decades. Their roofs have withstood the harsh elements of Alabama weather. It is now time for the owner to pass the baton to someone to carry on the good work and maintain the excellent reputation of this company. Extensive book of business, well trained crews and owner training are some of the elements of success for the new buyer. This long established roofing company has a wonderful history of completing roofs with excellent workmanship and superior quality. New roofs or roofing repair. Asphalt shingle roof such as 40 yr Ultra HD Architectural, or 30 year HD Architectural, Timberline, etc. With his metal roofs he only uses quality metal of 26 gage weight or better. They can do it all. Insurance work and dealing with adjusters. 95% of this business's receipts come from residential roofing jobs. All work is currently performed by sub contractors that are mostly proprietary to doing work for this contractor to his complete satisfaction. Priced well below established pricing multipliers, this business will not stay on the market long.
